1 A shout rings out, a joy - ful voice: "Je -

con - quered death and vic - tory won, rose from the grave in

breaks the night; the Son of God is risen with might.
heaven - ly power, for he is God, our strength and tower.

4 Now death no longer holds a sting;
Christ fully paid for all our sin.
Believers who his glory tell
need never fear the grave or hell.

5 Since Christ the Lord is risen with might,
new life begins in glorious light:
a life that triumphs over death,
eternal life with Christ, our Head.
