you're not a-lone, as God's own, in this toil-some bat - tle.

Note how the dev - il is prowl - ing a - bout,
Bro - thers and sis - ters through - out this whole world,

read - y to pounce and to trounce all those un - sus - pect - ing.
suf - fered and died, slaught-ered bru - tal - ly - like mere cat - tle.

As for Christ, so for his own, 'Tis the well-known sto - ry:
