The lyrics are written below the staff, with some words split across lines.

- 4 As they measured its length and breadth  
I could see no temple there,  
for its only temple is God the Lord  
and the Lamb in that city fair.  
And it needs neither sun nor moon  
in a place which knows no night,  
for the city's lamp is the Lamb himself,  
and the glory of God its light.
- 5 And I saw by the sacred throne  
flowing water, crystal clear,  
and the tree of life with its healing leaves  
and its fruit growing all the year.  
So the worshippers of the Lamb  
bear his name and see his face,  
and they reign and serve and forever live  
to the praise of his glorious grace.
