Detailed description: The image shows two systems of musical notation for a hymn. The first system is in G major (one sharp) and 4/4 time. It features a treble and bass staff. The melody is in the treble staff, and the bass staff provides a harmonic accompaniment. The lyrics are written below the notes. The second system continues the melody and accompaniment, ending with a double bar line. The lyrics are also written below the notes.

- 4 The stone the builders had rejected
 is now the foremost cornerstone.
 The LORD has done it, we have seen it –
 his ways confound what we had known.
 This is the day of days: GOD made it!
 And we are glad, we praise his name:
 "Save us and let us know your blessing.
 Your love forever is the same."
- 5 Our voices join in glad confession:
 "GOD's love forever is the same."
 Most blest is he in our procession
 who comes triumphant in GOD's name.
 Let branches mark the way before him,
 and at the altar hail his fame.
 "You are my God and I will praise you:
 Your love forever is the same!"
