We come in faith and hope and love; we dare your stead-fast word to prove.
 That an - cient prom-ise stands se-cure and shall while heaven and earth en-dure.
 Such lit - tle ones you did re-ceive; your pre-cious prom-ise we be-lieve.

- 4 They now the outward sign receive;
 your promised Holy Spirit give.
 O keep and help them by your power
 in every hard and trying hour.
- 5 Direct their feet in holy ways
 and shine on them through darkest days.
 Uphold them till their life is past
 and bring them all to heaven at last.
